We encourage you to share your dis-
and learning in our schools. Recognize
the extraordinary teaching in your
munications, and others made it part of
their school board's agenda. This in
tial campaign, a call to action, was
t of the Rhode Island School Committe
s's (RIASC) 10th anniversary. RIASC is
the Rhode Island Association of School
Committees, a membership organization
that includes teacher contract language
standards, and the Rhode Island Board in
their schools and he encouraged the
municipalities and other public entities.

The BuyBoard National Purchasing
Cooperative is a national online pur-
chasing cooperative formed between the
National School Boards Association
(NSBA) and the National School
Buyers (NSB). This cooperative is
developed to comply with state laws
which require associations to streamline
the buying process for schools, dis-
tricts, and other public entities. The
BuyBoard National Purchasing
Cooperative is a member of the
BuyBoard Network, a group of
vendors who have gone through a
procurement process to ensure that
all products and services are
compliant with state and federal
directive. The BuyBoard National
Purchasing Cooperative is
authorized to sell products and
services to schools, districts,
and public entities across the
United States.
