

RIASC HAS A NEW LOCATION!

Summer, 2017

RIASC OFFICERS

We have been busy moving from our 20-year home at RIC for the past to the New England Tech building located at 2480 Post Road, Warwick.

We chose this location with RIASC members in mind, as it has plenty of parking, it is not far from the highway, and it offers rooms for professional development sessions.

Joining us and forming the *Rhode Island Education Collaborative* are the following entities: The RI Association of School Principals, the RI School Superintendents Association, the RI School Business Officials, and the RI Parent Teachers Association.

If you need to call us, our phone number is the same at 272-9811, press 1 for RIASC.

Our new mailing address is:

PO Box 7791
Warwick, RI 02887

Our fax number remains 272-9834.

RIASC PROFESSIONAL DEVELOPMENT GOT SIX?

According to State law, Rhode Island school committee members must engage in six hours of professional development annually.

Did you know RIASC has offered over 50 hours of professional development opportunities to members so far this year and, overall, members have accrued over 9,000 professional development hours? The following committees were recognized at our Annual Meeting for their entire committee achieving their six hours for 2017: **Barrington, Coventry, Cumberland, Jamestown, Little Compton, Middletown and Pawtucket**

RIASC'S LEADERSHIP ACADEMY

In 2004 The Rhode Island Association of School Committees created the Leadership Academy, a voluntary professional development program for school committee members. After completing 15 hours of RIASC professional development, graduates receive recognition from the Rhode Island Board of Education at our Annual Meeting.

ELECTRONIC TEACHER CONTRACTS

RIASC hosts the Collective Bargaining Electronic Resource, that includes teacher contract language for all school districts.

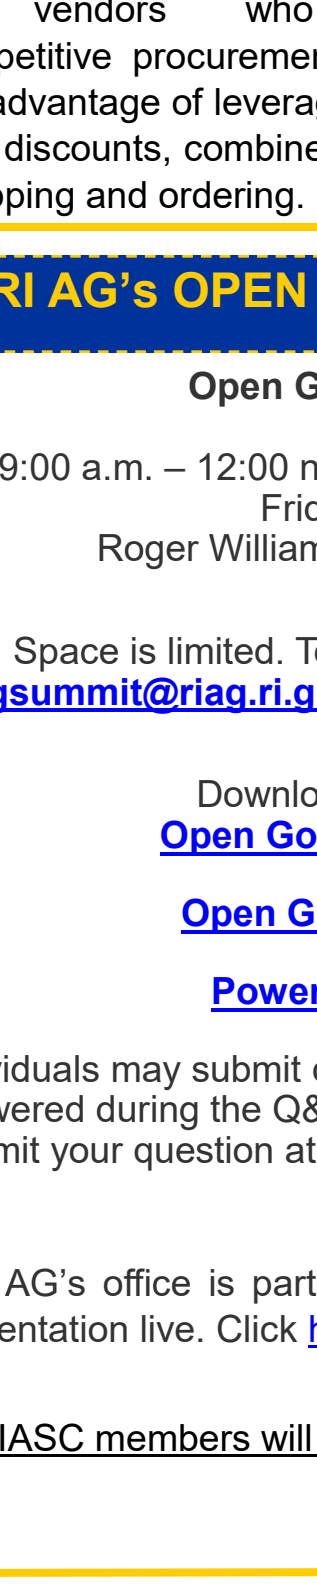

We count on the districts to supply their latest contracts so that we can provide you with the most current information for your teacher contract negotiations.

The site is located at
<http://ntlong.com/cber/>

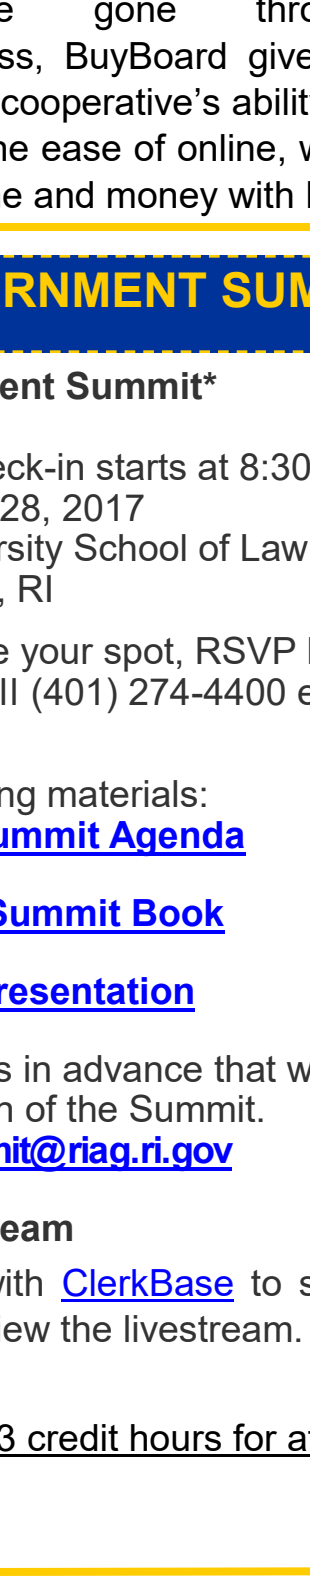

We encourage you to visit the site and to also encourage your district to send their latest contract.

RIASC Board Elections

Bruce J. Whitehouse, Chair of the Jamestown School Committee, Mark Fiorillo of the Cumberland School Committee, and Kinzel Thomas (not pictured) of the Providence School Board were all elected to serve on the RIASC Board at our recent Annual Meeting.

BJ Whitehouse

Mark Fiorillo

Both BJ and Mark have been active members through RIASC professional development. Kinzel was recently appointed to the Providence School Board. We look forward to working with them.

BUYBOARD PURCHASING COLLABORATIVE

The BuyBoard National Purchasing Cooperative is a national online purchasing cooperative formed between the National School Boards Association and several state school boards associations to streamline the buying process for schools, municipalities and other public entities.

Developed to comply with state laws which require government entities to make purchases from an approved list of vendors who have gone through a competitive procurement process, BuyBoard gives districts the advantage of leveraging the cooperative's ability to obtain bulk discounts, combined with the ease of online, web-based shopping and ordering. Save time and money with BuyBoard.
